

## OREGON RIDGE NATURE CENTER

*Explore career opportunities and gain relevant experience as part of the Oregon Ridge team.*

# Naturalist Internship

The Oregon Ridge Nature Center is a Baltimore County Recreation and Parks facility located in Cockeysville, Maryland. The center is open to the public Tuesday thru Sunday and offers a variety of trails and exhibits featuring live animals and the history, wildlife and natural environment of the area. Public programs, school field trips, scout programs, canoeing and special events are offered throughout the year.

Oregon Ridge Nature Center is seeking responsible, motivated and organized interns to learn to assist and lead hands-on, outdoor environmental education programs. Other general duties include assisting with live animal care, program materials maintenance, marketing, trail and garden work, assisting park visitors and exhibit interpretation.

### Qualifications

- Applicants should have an interest in or be pursuing a course of study in natural sciences, environmental science, science education, outdoor recreation or a related field
- Willingness to learn and perform a multitude of tasks
- Excellent communication skills
- Reliable transportation
- Able to work independently or as a part of a team

*This is an unpaid, volunteer position.*

### Commitment

Naturalist Interns are expected to work for the Spring, Summer or Fall season and generally work a minimum of 12 hours/week. Some evening and weekends may be required.

*\* Background check is required for all volunteers*

To apply for an internship, please send your resume with a cover letter and three references to Oregon Ridge Nature Center; Naturalist Internship
