

# OREGON RIDGE NATURE CENTER'S SUMMER GROUP PROGRAMS

## Animals and their Habitats

Meet some of the animals that call Maryland home. Learn about the different habitat that exist in Maryland and why it is so important to preserve those habitats.

## Creek to Stream to Bay

Explore the Chesapeake Bay watershed and the creatures that live there. Learn about water quality and how you can help the bay by caring for local creeks, streams and rivers.

## Native Americans

A hands-on exploration into the lives of Maryland's first residents. We'll investigate the world of the woodland Algonquian Natives and their use of natural resources.

## Insects and their kin

Investigate the diverse realm of insects and pollinators while observing hoppers, crawlers, stingers, swimmers and fliers. We'll learn why they are so important to our ecosystem.

## Registration Procedures...

- Summer programs are offered Tuesday through Friday from June 14 through August 19, 2022.
- Summer group sizes are limited to 50 participants for off-site programs  
40 participants for on-site programs
