

The Baltimore County Department of Recreation and Parks (BCRP) launched CivicRec on January 1, 2024 and all BCRP-run program registration will officially be operated on this site starting **July 1, 2024**.

This new registration process will apply to Baltimore County Recreation and Parks events and pavilion rentals. For these program services, revenue generated will go to the County and Council Members discounts will not apply, pending any amendments to the policy in the future.

The Oregon Ridge Nature Center Council (ORNCC) will continue to host programs as well. For ORNCC-sponsored events/programs, Council member discounts will still apply, and the Council will retain the program fees. Signups will be handled through the ORNCC registration page.

To aid members and the general public, ORNCC will advertise the County programs through the ORNCC webpage with links to the CivicRec site as appropriate. CivicRec will also link ORNCC programming on their site. We recommend that Members and the General Public simply utilize the ORNCC site to find out about programs and click on links to be easily directed to the appropriate registration page.
